dancoo

Quiet Simple Pods

ABOUT US

Dancoo's factory was jointly founded with DEKO, Denmark (www.deko.com) in 2005 near Shanghai. We manufactured products for office interior decoration, which have been widely used in thousands of domestic and global projects since 2005. Since 2016, we have supplied thousands of ODM/OEM Quiet Simple Pods to partners around the world.

RESOURCES

Intellectual Property

Dancoo's ODM/OEM Quiet Simple Pods are protected by numerous intellectual property rights, including design rights and patents. Dancoo holds the intellectual property through its patent holding company, which probably holds most "simple" design rights for "simple" office pods in the industry. For customized Quiet Simple Pods, dancoo can provides our partners strong legal protection concerning design rights and patents.

Acoustic Laboratory

Dancoo's acoustic laboratory technologically supports our global partners and enable the supplies of customized ODM/OEM office pods to our partners. Professional researches and measurements, of all kinds of soundproof office pods, can be carried out in our acoustic laboratory, including:

Measurements to determine the speech Level reduction ($D_{s,A}$) and Class in accordance with International Standard ISO 23351- 1:2020 (ref 1).
Measurements to determine the Noise Reduction (NR) and Noise Insulation Class (NIC) in accordance with ASTM E596-1996 and calculated in accordance with ASTM E413.

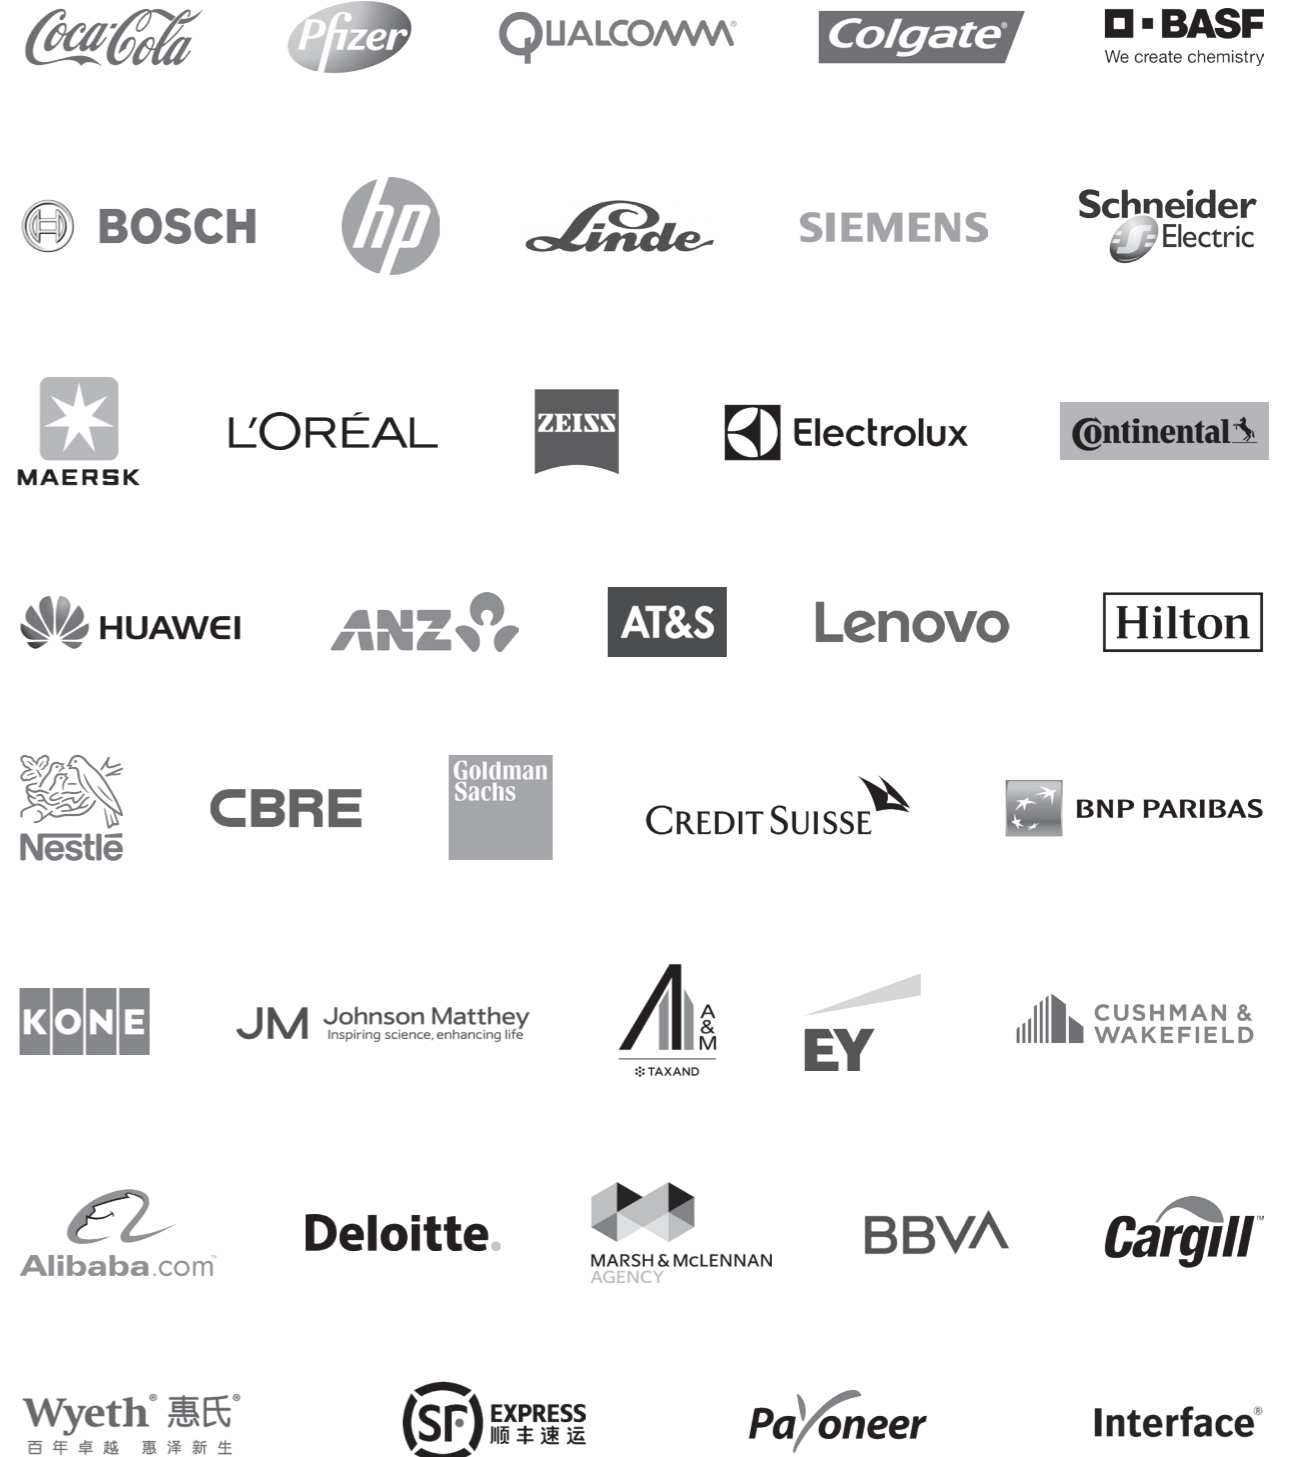

Professional Photography

To better help our partners enhance their brand credibility and build customer trust, Dancoo builds a professional photography studio to provides high-quality images of our ODM/OEM office pods. Potential customers of our partners, no matter where they are located, are thus able to view Quiet Simple Pods from multiple perspectives and zoom in/out to acquire all the details they need.
